Discipline	PhD Topic (2023)											
	#01	#02	#03	#04	#05	#06	#07	#08	#09	#10	#11	#12
Agricultural economics	Yes									Yes		
Agricultural engineering	Yes											
Agricultural science	Yes						Yes					
Business (specialisations in marketing)						Yes						
Chemistry									Yes			
Community development											Yes	
Community Wealth Building Programs						Yes						
Computational social science										Yes		
Data science	Yes	Yes										
Ecology				Yes								
Ecology (applied)							Yes					
Economics					Yes		Yes					
Economics (behavioural)						Yes						
Economics (ecological)							Yes					
Environmental engineering	Yes	Yes										Yes
Environmental health									Yes			
Environmental science			Yes	Yes					Yes			Yes
Environmental studies								Yes				
Financial management					Yes							
Geomatics and Remote sensing												Yes
Geospatial or data science								Yes				
Human geography											Yes	
Hydrology		Yes		Yes								Yes
Hydrology and hydrogeology					Yes							
Indigenous studies			Yes					Yes				
Interdisciplinary science			Yes	Yes								
Management and Information Technology	Yes	Yes										
Microbiology									Yes			
Microeconomics					Yes							
Natural resource management							Yes					
Network research (systems science)		Yes								Yes		
Social marketing						Yes						
Social policy											Yes	
Social sciences											Yes	
Social work								Yes			Yes	
Viticultural science							Yes					
Water resources management		Yes	Yes
