Technology Water utility Government agency

**Description of Organisation:** Duxton Capital (Australia) Pty Ltd ("DCA") is an alternative asset manager based in South Australia. The company specialises in agricultural land and securities with assets under management and advice reaching AU\$1 billion in December 2021. DCA is an investment manager for several Australian agricultural businesses such as: Duxton Vineyards (located in south-western NSW near Mildura); Duxton Dried Fruits (located in the Sunraysia region of NSW); Duxton Nuts (a walnut business located in the Murrumbidgee Irrigation Area in the Riverina region of NSW); Duxton Farms (aggregating approximately 23,000 ha of broadacre farmland located in Forbes, NSW); Duxton Water (trading Australian Water Entitlements); Duxton Bees (NSW based, providing pollination services, beer wax and honey production and queen bee exporting); Duxton Orchards (located in Loxton and Nangwarry in South Australia); Duxton Dairies - a small dairy portfolio near Cobram, NSW.

**\* Types of internship:**

- **Research internship:** conducting research-related tasks for organisations and/or researchers internal or external to the University. Tasks vary but may include study design, participant recruitment, data collection and analysis and reporting findings. Depending on the research, it may be completed face-to-face or remotely/externally; students may complete a minimum number of hours/days depending on the course, could be from several weeks to months.
- **Practical workplace internship:** undertaking hand-on tasks that enable development of employability skills and application of degree knowledge in a not-for-profit, university, government, non-government organisation or industry. The internship is likely to be face-to-face, but depending on the nature of the tasks and the student's study area, there may be scope for some remote/external work; students complete a minimum number of hours/days depending on the course, could be from several weeks to months.
- **Short-term project:** where interns complete a set project that has agreed desired outcomes and deliverables. Depending on the project, it may be completed face-to-face or virtually/remotely/externally; students complete a minimum number of hours/days depending on the course, could e.g. be a 100 hrs.)
